

Relevé numéro 1074 - Auteur: Alain THIRIOT

Lieu : CMME - Forêt de Bellême (Etang de la Herse)

Date : 28.09.2013

IFBL :

Liste des taxons (total = 141) :

Agaricus silvicola
Aleuria aurantia
Amanita citrina
Amanita citrina var. alba
Amanita fulva
Amanita muscaria
Amanita phalloides
Amanita porphyria
Amanita rubescens
Amanita spissa
Amanita virosa
Armillaria mellea
Boletus edulis
Boletus erythropus
Boletus pinophilus
Calocera viscosa
Calvatia excipuliformis
Cantharellus cibarius
Cantharellus tubaeformis
Clitocybe costata
Clitocybe gibba
Clitocybe nebularis
Clitocybe odora
Clitopilus prunulus
Collybia dryophila
Collybia fusipes
Collybia kuehneriana
Collybia maculata
Collybia peronata
Coprinus atramentarius
Coprinus comatus
Coprinus micaceus
Coprinus picaceus
Cortinarius alboviolaceus
Cortinarius bolaris
Cortinarius elatior
Cortinarius paleaceus
Cortinarius purpurascens
Cortinarius rufoalbus
Cortinarius torvus
Cortinarius variegatus
Daedaleopsis confragosa
Fistulina hepatica
Flammulaster speireoides
Flammulina velutipes
Fuligo septica
Gymnopilus junonius
Gymnopilus penetrans
Gymnopilus spectabilis
Hapalopilus rutilans
Hebeloma crustuliniforme
Hebeloma leucosarx
Hebeloma mesophaeum
Hebeloma radicosum
Helvella atra
Helvella macropus
Hydnum repandum
Hydnum rufescens
Hygrophoropsis aurantiaca
Hypholoma fasciculare
Laccaria amethystina
Laccaria bicolor
Laccaria laccata
Lactarius blennius
Lactarius blennius var. viridis
Lactarius deliciosus
Lactarius fuliginosus

Lactarius quietus
Lactarius rufus
Lactarius serifluus
Lactarius tabidus
Lactarius uvidus
Lactarius vellereus
Leccinum aurantiacum
Leccinum crocipodium
Leccinum quercinum
Leccinum scabrum
Lentinellus cochleatus var. inolens
Lepiota clypeolaria
Lycogala epidendron
Lycoperdon echinatum
Lycoperdon perlatum
Lycoperdon pyriforme
Macrolepiota konradii
Macrolepiota procera
Marasmiellus ramealis
Marasmius rotula
Megacollybia platyphylla
Meripilus giganteus
Mycena pelianthina
Mycena pura
Mycena rosea
Oligoporus caesius
Oligoporus stypticus
Oudemansiella mucida
Oudemansiella radicata
Panus conchatus
Paxillus involutus
Phaeolus schweinitzii
Phallus impudicus
Pholiota flammans
Pholiota lenta
Piptoporus betulinus
Pleurotus ostreatus
Pluteus cervinus
Pluteus cinereofuscus
Pluteus leoninus
Polyporus forquignonii
Polyporus varius
Psathyrella candolleana
Psathyrella lacrymabunda
Psathyrella multipedata
Psathyrella piluliformis
Pseudohydnum gelatinosum
Ramaria stricta
Russula amara
Russula atropurpurea
Russula brunneoviolacea
Russula emetica
Russula emetica var. sylvestris
Russula lepida
Russula nigricans
Russula ochroleuca
Russula romellii
Russula virescens
Scleroderma citrinum
Sparassis crispa
Suillus bovinus
Suillus grevillei
Suillus luteus
Trametes gibbosa
Trametes versicolor
Trichaptum abietinum
Tricholoma sciodes
Tricholoma ustaloides
Tricholomopsis decora
Tricholomopsis rutilans
Xerocomus badius
Xerocomus chrysenteron
Xerocomus parasiticus
Xerocomus pruinatus
